

The map shows the proposed water supply line (red line) starting from the water source (blue dot) near Vranovice I and running through the area. The line passes through the Černé pole, Nivky, and Nová Ves areas. The map also shows the location of the water source (blue dot) near Vranovice I. The map includes contour lines, roads, and various geographical features. A scale bar (0-500m) and a north arrow are provided in the bottom left corner.
